OFFICE OF LEGISLATIVE COUNSEL

Monday - 21 May 1962

25X1 1. [] George Murphy, Joint Committee on Atomic
Energy staff, called again on the subject of possession by the Soviet Union
of small nuclear weapons and their deployment outside the Soviet borders.
25X1 Murphy said he had passed on my message on this but since there was some
confusion in the Committee on this subject, the staff would like to have
[] OSI, give them a briefing. We will attempt to arrange this
within the next few days.

25X1 2. [] Map Library, called concerning
a request from Congresswoman Catherine May(R., Wash.), through the
State Department, for a map of Laos which she plans to use on a TV program.
Since the map is unclassified and unattributed, [] will send it to
Representative May as a follow up to her State request. 25X1

25X1 3. [] After checking with SR Division, Security
and OO, I advised Jay Sourwine of Senate Internal Security Subcommittee
staff that we would have no problem if the Subcommittee called []
25X1 [] as a witness. (See Journal of 18 May) Sourwine said he would
probably be called up on Thursday. There is some indication that the
Army has an interest in any testimony which [] may give. They are
being alerted through OO and Security channels. 25X1

25X1 4. [] Mr. Leahy, State Department Congressional
Relations, called in connection with copies of correspondence on []
25X1 [] which we had forwarded to them for information. Leahy said he saw
no interest from their standpoint at this time but would file the material we
forwarded for future reference.

Nittle and Don Appell, House Committee on Un-American Activities staff,
concerning the appearance of [] before the Committee. Taveener
